## PROCLAMATION OF THE GRCC SPIRIT

*Whereas it is the mission of Grand Rapids Community College to provide learning opportunities that enable people to achieve their goals; and*

*Whereas GRCC is a vibrant institution of higher education dedicated to enriching the lives of people and the vitality of this community; and*

*Whereas we value responsiveness, accountability, innovation, diversity, excellence, respectfulness and service; and*

*Whereas we wish to reward those among us who demonstrate these values day by day; and*

*Whereas, Szymon Machajewski is deemed by his colleagues to be a Raider exalted among Raiders, to quote from his nomination form:*

*"Szymon is always happy to help from the simplest question to major change in an ongoing project. He is always looking at the project through the 'end users' eyes, to make sure what is being created is something that the 'end user' will be able to benefit from but not forgetting what the overall needs of the project are..In addition to being a brilliant programmer, he possesses a deep and personal commitment to GRCC and the success of its students."*

*Whereas we have all shouted loudly and proudly, on this day;*

*We hereby declare Szymon Machajewski to be the winner of the GRCC SPIRIT AWARD for the month of October in the year two thousand and ten.*

*Signed,*

  
Steven C. Ender, Ed.D.  
President
